

Formulaire de Candidature stage

Nom et prénom: Nour El Houda Akhdari.
Date de naissance : 10-08-2005.
Résidence : Malha, Djasr Kasentina, algiers.
Téléphone : 0797617672 / **Email:** akhdarinourelhouda2@gmail.com
Université / Ecole / Institut: University of Boumerdès.
Année universitaire: 2024-2025.
Spécialité : Computer science.

Date début stage souhaitée	03/07/2025		
Thème à traiter	Among the proposed themes, I selected the <u>invitation system</u> as my first choice. However, I'm open to adjustments if needed, especially after discussing it with the development team.		
Structure du stage souhaitée	The internship will be full-time for two months. I will be working in a pair on the project. Ideally, we would like to be supervised by a member of the development team to ensure guidance and alignment with the company's practices. Regular check-ins will be scheduled to track progress, provide feedback, and adjust tasks as needed. I will be present on-site during working days, and I will also continue contributing to the project remotely outside of company hours.		
Durée du stage	Du 03/07/2025 Au 07/09/2025	02 mois	
Fréquence de présence	<input checked="" type="checkbox"/> Dimanche <input type="checkbox"/> Lundi <input type="checkbox"/> Mardi <input checked="" type="checkbox"/> Mercredi <input type="checkbox"/> Jeudi <input type="checkbox"/>		2 Jour (s)/ semaine
Date prévue pour dépôt du mémoire/ Rapport	Not applicable, not a final year internship.		
Motivation pour le choix du thème	I chose the Event Invitation System because it addresses a genuine problem. Managing events, reminders, and attendance can get messy, and I liked the idea of building something that makes that process smoother and more organized. It also matches my skills in app development, so I felt it was a good fit.
